LOTO DES ANIMAUX DE LA FERME

The image features a dense, repeating pattern of the word "ITICUS". The letters are rendered in a playful, rounded font with a variety of colors including orange, red, yellow, green, blue, purple, and pink. Each letter is connected by a thin, dashed line to its corresponding letter in the next word, creating a continuous, woven texture across the entire image. The words are arranged in multiple rows, filling the frame from top-left to bottom-right.
